

Cannot find the time to **coordinate schedules** with random seat partners?

Taking a class where you do not know anyone?

Finding that posting on Piazza is awkward?

Want a **simple, no stress** way of finding pset buddies?

Download PsetOrNot! The newest student-developed application that connects you to other MIT students working on the same problem set! Don't worry about logistics, just pset!

PsetOrNot

pset matching for students

Features:

- Quick, easy registration
- Interactive map of psetters in the area
- Call/Text/Email potential pset partners
- ...and so much more!
